A new website for www.lamutuelle.org

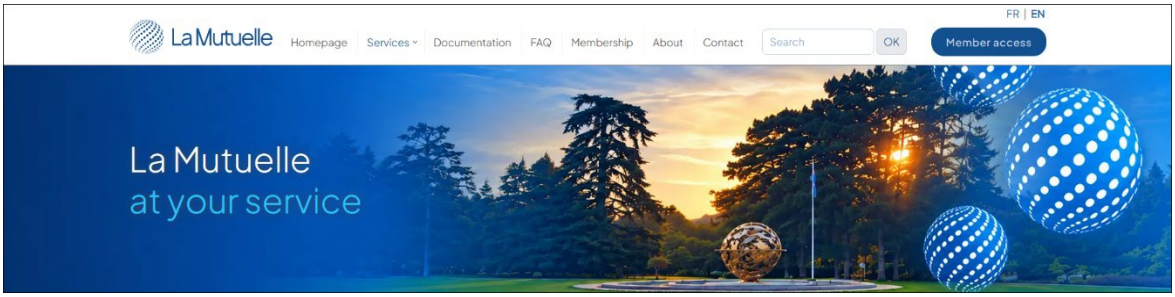

Discover our new website

Dear Members,

We are delighted to announce the launch of the brand-new website, bringing together both La Mutuelle and GPAFI.

What changes for you as a member of La Mutuelle

- The current website, www.lamutuelle.org, has been completely redesigned.
- To enhance the security and confidentiality of your information, the secure access is now separate from the website. To access it, click on the "Member access" button at the top right.

- A new tab will open with the secure access you are familiar with, which has had to be slightly adapted for this temporary transition, pending the launch of the new secure access during the first half of 2027, which will enable us to offer you new features.
- Enter your login details as you normally would.

What changes for you as a member of GPAFI

- The current website, www.gpafi.org, is now being replaced by www.lamutuelle.org. You will find the same information there regarding the insurance policies offered by GPAFI.
- But that's not all! The new secure access will eventually allow GPAFI members to access their personal insurance data, such as statements of premiums paid, annual premium statements, and tax certificates.

If you have any questions or encounter difficulties accessing your account, please do not hesitate to contact us at www.lamutuelle.org/Contact-en.

We thank you for your continued trust and loyalty.
